

# Proposed Guiding Statements

---

The heavenly **PURPOSE** of our church is to bring glory to God.

The earthly **MISSION** of our church is  
to lead people to Jesus,  
to build spiritual champions out of ordinary people, and  
to establish multiplying churches.

A spiritual champion is a person who  
trusts in Jesus,  
lives with God,  
builds saints, and  
expands the Kingdom.

Multiplying churches are churches that continually  
develop kingdom leadership,  
mobilize saints into the Great Commission, and  
reproduce themselves.

God has enabled our church to fulfill its mission by giving it five **FUNCTIONS**:

Worship,  
Evangelism and Missions,  
Discipleship,  
Service, and  
Fellowship.
